Total Study Halls	

**Directions:**

Boxes with X's indicate that the class is required. In the blank boxes, please choose one class per hour per day.

In order to graduate on time with sufficient credits: you must have a total of 4 math credits, 4 English credits, 4 History credits, and 3 science credits throughout high school. This means you must take one class in each category every year of high school with the exception of science which only requires 3 classes in high school. There are other credit requirements which can be filled by taking electives or special classes.

You may not have more than 8 study halls per week unless you plan to take dual enrollment classes during study hall periods

**Dual Enrollment**

You may fill any free/study hall hours with online dual enrollment classes which will give you high school credit and college credit. All dual enrollment requests should be listed on the course selection page in the hours you want to take them. The dual enrollment course would then need to be approved by Lesli Nichols the guidance counselor. More information can be found on the CBS website at [www.cbschools.org](http://www.cbschools.org) or on Liberty University's website here: <https://www.liberty.edu/onlineacademy/dual-enrollment-courses/>

**Notes:**

Drama meets 3 times per week  
 Home Ec meets 1 or 2 times per week (your choice)  
 Art meets 1 or 2 times per week (your choice) if you choose it during 7th hour  
 Choir meets 2 times per week

Proclaimers will have a separate Bible class with Mr. DuBose on Tuesday mornings 1st hour before having Proclaimers practice.

**Prerequisites:**

Trig/Pre-Calc: C in Algebra 2  
 Biology 2: B in Biology 1  
 Drama: B in 9th Grade Speech or Teacher Approval  
 Anatomy/Physiology: C in Biology 1
