Directions:

Boxes with X's indicate that the class is required. In the blank boxes, please choose one class per hour per day.

In order to graduate on time with sufficient credits: you must have a total of 4 math credits, 4 English credits, 4 History credits, and 3 science credits throughout high school. This means you must take one class in each category every year of high school with the exception of science which only requires 3 classes in high school. There are other credit requirements which can be filled by taking electives or special classes.

You may not have more than 6 study halls per week

Notes

- Drama meets 2 times per week
- Choir meets 2 times per week
- JH Band meets 2 times per week
