

Calvary Baptist School inspires students to discover their purpose and to engage their hearts, heads, and hands in service to Christ both locally and globally.

CALVARY

BAPTIST SCHOOL

Dear Family and Friends,

We would like to introduce ourselves to you as the Calvary Baptist School Missions Team! We have the opportunity to work in an after-school program in the Washington Heights neighborhood in New York City tutoring under-privileged inner-city children in English and math, as well as doing drama exercises and skits with them. The name of the program is Operation Exodus, a Christian organization that helps equip these children to succeed academically and socially to help them overcome their circumstances. We will be serving in the program March 27-30.

We would love to have your support in several ways. First of all, please pray for us as we begin preparations to get our program ready to minister to these children. Second, if you could give a donation to help cover our costs, we would greatly appreciate it, since the total cost for our whole group will be around \$4,000. Third, we would like to take some new or gently used board games, books, or educational games to donate to the program and are looking for donations of these materials as well.

If you would like to make a financial contribution, please write checks out to Calvary Baptist School and write "Missions Team" in the memo. All financial donations or books and games can be given to the front office.

Thank you so much for your support to this effort as we strive to be a blessing to these children!

In His Service,

The Calvary Baptist Missions Team
